THE BLEST ONES AT HOME.

The melody of "Old Folks at Home" has been very popular, but the words are not so meritorious. A late number of Zion's Herald contains the follow-

So extensive was the ulcers and so horrible my appearance that my case became no orious with all the Faculty in this and he adjoining counties-in fact I had obtained the best medical aid in our State, without any abste ment of the disease. DE. MORSE'S INVIGORATING CORDIAL A PHENOMENON IN MEDICINE. LYEALTH RESTORED AND LIFE LENGTHENED, by DR. MORSE'S INVIGORATING

LIXIR OR CORDIAL.—At first the proper-attributed to Pro. MORSE'S INVIGORATING XIR OR CORDIAL were deemed fabulous. The Life often deceived, sould not believe the simple sublime truths announced by the discoverer .-Bue facts, undeniable facts attested by witnesses of the highest class and character, are now triumphing over all doubts. INOREDULITY IS OVER-THROWN by a mass of testimony which is perfectly irresistable. The ELIXIB remedies, in all cases, the deplorable

evils arising from a misuse or abuse of the various organs which make up the wonderful machine called man. It restores to full vigor every delicate functien connected with that mysterious compound agency of matter and mind, necessary to the re-preduction of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl the ailing wife, the listless, ernevated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator. To those who have a predisposition to paralysis it will prove complete and unfailing safeguard against that terri ble malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION. The deraugements of the system, leading to ner yous diseases, and the forms of nervous disease itself, are so numerous that it would require a column to enumerate the maladies for which this prepararation is a specific. A few, however, may be enume rated, viz: neuralgia, tic dolereaux, heatache, incip ient paralysis, hysteria, palpitation of the heart, spi na' affections, muscular debility, tremers, flatuience, a pricking sensation in the flesh, numbress, torpid ity of the liver, mental depression, weakness of the will, indisposition to move, faintness after exercise. broken sleep an ! terrifying dreams, inability to re main in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, nking at the stomach, f male irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes beyond the reach of medicine. Whenever the organs to be acted upon are free

from malformation or strictural diseases it is averred MORSE'S INVIGORATING ELIXER will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural so

tivity, and this not only without hazard of reaction, but with a happy effect on the general organization.

Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerves or motion and sensation is only reliable preparation known.
